ABOUT

DHEV ENTERPRISES

Dhev Enterprises is a Hyderabad-based company specializing in the import and supply of feed grade amino acids and animal nutrition ingredients. With a strong commitment to quality, reliability, and customer satisfaction, we serve the growing needs of the poultry, livestock, and animal feed industries across India.

Our company focuses on providing premium feed additives sourced from internationally reputed manufacturers, ensuring that our customers receive products that meet global quality standards.

At Dhev Enterprises, we believe that the foundation of successful livestock production lies in balanced nutrition and scientifically developed feed supplements. Through our strong supply network and partnerships with global brands, we provide solutions that support improved animal performance, healthier growth, and efficient feed utilization.

OUR VISION

To become a trusted and leading supplier of high-quality animal nutrition ingredients by building long-term relationships with customers and global manufacturing partners.

OUR MISSION

- To supply reliable and high-quality feed additives
- To support the livestock and poultry industry with scientifically proven nutritional solutions
- To maintain strong partnerships with global manufacturers
- To deliver consistent service and dependable supply chains

OUR GLOBAL MANUFACTURING PARTNERS

Dhev Enterprises works with globally recognized companies known for their innovation and quality in animal nutrition.

These partnerships ensure that we supply products manufactured under strict international quality standards.

OUR PRODUCT PORTFOLIO

We offer a comprehensive range of **feed grade amino acids, minerals, and specialty additives** sourced from reputed international manufacturers.

AMINO ACIDS

DL-METHIONINE (99%)

Brand: **Evonik**

An essential amino acid used widely in poultry nutrition to improve growth performance, feather development, and feed conversion ratio.

LYSINE HCL (98.5%)

Brand: **Ajinomoto, Meihua**

Supports muscle development and protein synthesis in poultry and livestock feed.

LYSINE SULPHATE (70%)

Brand: **Meihua, Fufeng**

A cost-effective lysine source that enhances animal growth and feed efficiency.

L-THREONINE (98.5%)

Brand: **Evonik, Meihua**

Important for maintaining intestinal health and improving nutrient absorption.

L-TRYPTOPHAN (98%)

Brand: **CJ Bio**

Supports feed intake, stress management, and improved animal performance.

L-VALINE (98.5%)

Brand: **AHB**

Essential for muscle metabolism and proper growth in poultry diets.

L-ARGININE (98.5%)

Brand: **CJ Bio**

Supports immune function and metabolic processes in animals.

L-ISOLEUCINE (98.4%)

Brand: **CJ Bio**

Helps optimize amino acid balance in feed formulations.

FEED MINERALS & ADDITIVES

MCP

(Monocalcium Phosphate – 21%)

Brand: **Timab**

A high-quality phosphorus source essential for bone formation and metabolic functions.

DCP

(Dicalcium Phosphate – 18%)

Brand: **Timab**

Supports skeletal development and improves feed efficiency in livestock.

CHOLINE CHLORIDE (60%)

Used to support fat metabolism and prevent fatty liver syndrome in poultry.

BETAINE HCL (98%)

Brand: **Orffa**

Enhances digestion, improves nutrient absorption, and helps animals cope with stress.

SODIUM BICARBONATE (27%)

Brand: **Timab**

Helps maintain acid-base balance and improves digestion in poultry.

SODIUM SULPHATE

(ANHYDROUS)

Brand: **Grasim**

Used as a feed additive for metabolic balance.

SPECIALTY NUTRITION SOLUTIONS

GUANAMINO

(Guanidinoacetic Acid – 96%)

Brand: **Evonik**

Improves energy metabolism and enhances animal performance.

SPEOCARE

(Tributyrin – 60%)

Brand: **Evonik**

Supports gut health and intestinal development.

GUTCARE

(Bacillus Subtilis DSM 32315)

Brand: **Evonik**

A probiotic solution designed to improve gut health and strengthen immunity in poultry.

K-PRON

(Potassium Carbonate Hydrate)

Brand: **Evonik**

Used to support electrolyte balance in animal nutrition.

WHY CHOOSE DHEV ENTERPRISES

WE ARE AN AUTHORISED CHANNEL PARTNER FOR **EVONIK AND TIMAB**

Trusted importer and supplier of feed grade amino acids

Products sourced from globally reputed manufacturers

Reliable and consistent supply network

Competitive pricing and dependable service

Strong industry knowledge in animal nutrition

Commitment to long-term customer relationships

NUTRITION

FOR HEALTHIER ANIMALS,
BETTER TOMORROW

Premium quality feed grade amino acids for optimal animal performance.

OUR COMMITMENT

At Dhev Enterprises, we are committed to supporting the livestock and poultry industry by providing **nutritional ingredients** that promote **healthier animals**, improved **productivity**, and **sustainable farming practices**. We strive to deliver not only quality products but also **trust, reliability, and long-term value** to our customers.

SUSTAINABLE
FUTURE
